GCC Campus Remains Closed As Emergency Declaration Extended

Governor Lou Leon Guerrero has issued Executive Order 2020-11, extending the public health emergency for our island until June 5, 2020. In compliance with the Governor's order, the Guam Community College remains closed until further notice.

Enrollment and registration will continue for both the Summer and Fall(https://guamcc.edu/apply [2]). GCC employees can expect to be working from home unless required to work on campus for specific purposes until the campus closure is lifted.

Thank you for your continued patience and support during this extraordinary time. Please stay safe and continue to follow the required guidelines to keep yourselves, your families and our entire community safe.
