

Academic Advising

Your advisor is here to help you clarify your career goals and develop your educational plan. What we do:

- Assisting students in clarifying, articulating, and attaining academic and life goals;
- The student is expected to meet with his/her academic advisor regularly to plan an academic program and review achievement.
- Facilitating each student's academic adjustment to the campus;
- Educating students to assess academic progress and develop appropriate educational plans;
- Explaining and clarifying graduation requirements and academic rules and regulations;
- Serving as advocates and mediators for students; and
- Refer students to the appropriate department or program to meet student needs.
