Campus Information

Find out what we do on campus to help you fulfill your needs to succeed.

Campus Hours

Hours of operation for the campus and related services.

Campus Safety & Security

GCC strives to provide a safe and secure campus for all its students and employees and has undertaken various ways to help ensure this.

Parking

GCC offers more than 500 parking spaces within the campus and on the surrounding streets for students, employees, and visitors.

Food & Drink

A wealth of food and drink options are available on and off campus. The information on this page can show you how to satisfy your hunger cravings!

Student Study Areas

Several areas exist on campus for students to study individually or in groups. Feel free to take advantage of these areas.

Computer Labs

There are many computer labs on campus but here are three areas you can go to where the computers are always available for student use.

Bookstore

You can buy textbooks here. The bookstore also has other items related to your classes such as uniforms. You can also buy other items such as pens and clothing.
