New Student Orientation

An Orientation program has been created to assist students new to the Guam Community College with learning about the many resources and opportunities that are available to help them succeed and achieve their academic and career goals.

Through leadership development, students are empowered and equipped with the additional skills they can utilize inside and beyond the classroom.

Student Governance

The Council On Postsecondary Student Affairs (COPSA) is the recognized representative body for student governance for all officially registered Postsecondary and Adult High School students. COPSA serves as a voice for which student concerns are addressed to the GCC administration; plans student activities; approves student organization budgets; and ensures that the College fully considers the needs and interests of students in its decisions and offerings.

Student Organizations

Participating in a student organization at the Guam Community College provides an excellent opportunity for students to develop personally and professionally. Student organizations work in conjunction with the Council On Postsecondary Student Affairs (COPSA), in planning and implementing activities, events, and campus-wide programs to address the needs and interests of GCC students.
