GCC TAM® offers a complete, effective and in-depth view of all aspects of beverage alcohol sales and service, creating a foundation for professionalism and ethical conduct among service personnel who sell or serve beverage alcohol. Each three-hour course addresses the responsibilities of the seller/server.

COURSE HIGHLIGHTS INCLUDE:

CLINICAL EFFECTS OF ALCOHOL:
A clinical look at how alcohol enters the bloodstream and affects the nervous system. Participants will learn how to effectively identify and respond to intoxicated customers.

FALSE IDENTIFICATION:
Effectively identify and respond to false identification and underage purchase and possession of alcohol.

LAWS, RULES & REGULATIONS:
Gain a clear understanding of local and federal laws relating to beverage alcohol sales.

CUSTOMER DISTURBANCES:
Learn effective methods to maintain safety and control of the establishment, creating a positive image and good customer relations while responding to beverage alcohol incidents.

ALCOHOL MANAGEMENT:
Learn the S.I.R.® and M.A.A.M.® programs via role play, the TAM® proprietary system for applying the Techniques of Alcohol Management® in your business.
