

GCC Pre-Apprenticeship Bootcamps

Interested in learning more about one of our Pre-Apprenticeship Bootcamp programs?

Please fill out our form [HERE](#) [1]!

Develop the skills and knowledge needed to start your career in one of the most high-demand industries in Guam! Students learn from industry experts and receive on-the-job training.

In addition to program-related continuing education units and/or credit courses, completers may earn certifications in the following nationally recognized foundational training courses:

- **OSHA 10-Hour**
- **Work Ethic**
- **WorkKeys NCRC**
