My Commission Expires:

LEAVE SHARING PROCEDURES

PURPOSE

The purpose of the Leave Sharing Program is to provide assistance to employees who need to take extended period of absence from their employment for personal reasons as defined in this procedure. Absence must be for a minimum of 10 consecutive work days for medical emergency, and a minimum of five consecutive work days for other personal reasons.

STATEMENT OF POLICY

It is the policy of the government of Guam to provide assistance to employees, who need to be absent from their jobs for personal reasons, as defined in this procedure, but have exhausted their earned leave accrual. Through the generosity of other employees, annual or sick leave may be donated to those employees with legitimate needs for extended absence from work, as determined by their appointing authorities and/or the Director of Administration.

A. GLOSSARY

1. **EMPLOYEE.** A person currently employed by the government of Guam and who is entitled to leave accrual.
2. **FAMILY MEMBER.** Spouse, including a so-called "common law" spouse if such spouse is 18 years old or over, and has cohabited with the employee for at least the last two consecutive years immediately preceding the request for leave donation. Other recognized family members include children and adopted children and their spouses, grandchildren and adopted grandchildren, parents and parents-in-law, in loco parentis, grandparents, brothers and sisters.
3. **LEAVE DONOR.** An employee whose voluntary written request for transfer of leave to a leave recipient is certified and approved by his agency payroll supervisor.

4. **LEAVE RECIPIENT.** A current employee for whom the employing agency has approved an application for extended absence from his employment, and is certified to be eligible to receive leave donated by another employee of the government of Guam.
5. **PERSONAL REASONS.** For the purpose of this procedure, "personal reasons" is defined as those defined in "medical emergency" below, adoption of a child, divorce and separation, loss of a family member, cosmetic and voluntary surgery, child care, legal commitments, education, care for family member, who is elderly or has a mental or physical disability, and other reasons as determined by the Director of Administration.
6. **MEDICAL EMERGENCY.** A medical condition of an employee or a family member that is likely to require an employee's absence from duty for a prolonged period of time, and to result in a substantial loss of income to the employee because of unavailability of paid leave.
7. **ANNUAL LEAVE.** For purposes of the Leave Sharing Program, an employee may request annual leave to care for a sick family member and for other personal reasons authorized by this procedure. An employee may also opt to use annual leave in lieu of sick leave for absence, because of his illness and other authorized use of sick leave.
8. **SICK LEAVE.** Leave which is authorized for the employee who is incapacitated to perform regular duties or available light duty, due to illness or injury; medical treatment; complications due to pregnancy; childbirth; or when the employee's presence on the job will jeopardize the health of others because of exposure to a contagious disease (requires a quarantine by medical authority).
9. **IN LOCO PARENTIS.** Refers to the situation of an individual who had such responsibility for the employee when the employee was a child. A biological or legal relationship is not necessary.

B. ELIGIBILITY

1. **LEAVE RECIPIENT.** Any employee of the government of Guam, who meets the definition of family member and the intent and purpose of the Leave Sharing Program, who has used his appropriate accrual leave (annual, sick, and/or compensatory time off [CTO]), e.g. if employee is requesting sick leave, his sick leave should be used first; if employee is requesting annual leave, his annual leave should be used first before receiving leave donated by another employee.

To be eligible for leave donation, the leave recipient shall be absent 10 consecutive work days or more for the medical emergency reasons, and five consecutive work days or more for other personal reasons, and must meet the criteria for annual or sick leave approval as defined in Chapter 8.

2. **LEAVE DONOR.** An employee of any branch of the government of Guam who has accumulated annual or sick leave in excess of one pay period, is eligible, to donate leave to another employee in any department or agency. Type of leave donated must meet the criteria for annual or sick leave defined above.

C. VOLUNTARY TRANSFER OF LEAVE

An active employee who has accrued leave balance in excess of one pay period may submit a formal written request to his payroll supervisor to make available for transfer, annual or sick leave of a minimum of eight hours at any one time, to another named employee authorized to receive leave under this procedure. The employee donating the leave may not request a transfer of an amount of annual or sick leave that would result in reducing his sick or annual leave balance to less than one pay period.

D. RECEIPT OF SICK/ANNUAL LEAVE

The leave recipient must use his respective personal accrued leave or earned CTO before he may be eligible to use the leave donated by another employee.

E. CONDITIONS FOR APPROVAL OF LEAVE TRANSFER FOR MEDICAL EMERGENCY

An appointing authority may permit an employee of the agency to receive donated leave based on the provisions of this procedure. The Director of Administration will conduct periodic audits on all donated leave transactions processed and approved by agency/department directors, and will repeal and take corrective actions on those approved actions which are not in compliance with this procedure. Employees found to have abused or committed fraudulent acts relative to the use of donated leave, shall be required to pay back the government for the full amount of his salary paid, as a result of the use of the donated leave. Appointing authorities may approve requests for donated leave subject to the following conditions:

1. The employee, or a member of his family suffers from a medically certified incapacitation due to illness, injury, impairment, or physical or mental condition which has caused, or is likely to cause, the employee to go on leave for at least 10 consecutive work days. An employee who is medically certified to be incapacitated for duty shall use sick leave, and at his option, use a combination of annual leave and/or CTO earned to his credit. ~~However, an employee who needs to care for a family member shall use his annual leave and/or CTO earned and donated annual leave, but not sick leave.~~
2. The employee's need to be absent from work is certified by a licensed practicing physician.
3. The employee has to exhaust the type of leave, i.e., sick or annual, he is requesting, before the donated leave is used. ~~An employee who is on sick leave status may opt to use annual leave, but should not be required to use annual leave.~~

Therefore, when the employee's sick leave has been exhausted, the employee may use his annual leave or use donated sick leave, but will not be required to exhaust annual and CTO earned. ~~Similarly, an employee should not have to exhaust his sick leave in order to be eligible for donated annual leave for absence of a personal nature during the duration of the absence.~~

4. The employee has complied with the agency's policy concerning the request and approval of sick leave, annual leave or CTO.

F. CONDITIONS FOR APPROVAL OF LEAVE TRANSFER FOR OTHER PERSONAL REASONS

The appointing authority may submit a request for leave transfer, for reasons other than "medical emergency," for an employee in his agency to the Director of Administration for final approval. The Director of Administration will review and process all requests for donated leave, for non-medical reasons, on a case-by-case basis. The following are some of the more common non-medical reasons which employees may use to justify requests for a donated leave. However, these reasons do not, in and of themselves, become an authorization for personal reasons.

1. Adoption of a child, or to place a child up for adoption.
2. The employee is undergoing divorce or separation proceedings.

3. Loss of a family member.
4. Cosmetic and voluntary surgery.
5. Child care.
6. Legal commitments.
7. Education.
8. To care for an elderly or physically/mentally disabled member of the family.

G. PROCEDURES

It is the responsibility of the employee requesting for donated leave to obtain proper leave authorization from his supervisor and the department/agency head. The approved Leave Application Form (FCN 2-0-1), must be accompanied by the attached request for leave transfer forms (medical emergency and other personal reasons), endorsed by the donating employee, payroll supervisor and the appointing authority. The following officials are authorized to give final approval for leave transfer requests based on personal reasons:

1. Appointing authority of the recipient employee may approve all requests for medical emergency, subject to audit and repeal by the Director of Administration upon finding of non-compliance to established policy and procedures.
2. The Director of Administration has the final approval authority for all leave transfer requests submitted by the appointing authority of the recipient employee for all other personal reasons authorized by this procedure.
3. The payroll supervisor of both donor and recipient must ensure appropriate action is taken to accommodate the request in a timely manner.

All salary payments made to an employee while on leave transferred under this procedure shall be made by the agency/department employing the person receiving the leave. The leave recipient will continue to accrue annual and sick leave for as long as he is on a pay status.

Any leave transferred under this procedure for a specific request which remains unused, shall be returned to the leave donor. Any employee, who needs additional

time off for reasons authorized by this procedure, may submit a new request for leave donation. All approved requests for leave transfers will be used for one time only.

H. LIMITATIONS

Transfers of leave are subject to the following restrictions:

1. No transfer may be made by any employee to his or her supervisor or to any person above him or her in the supervisory chain, or to a member of the supervisor's or such supervisory person's immediate family.
2. Leave may not be transferred to another employee if, as leave recipient, he intends to use it for credit towards retirement or accumulated leave.
3. Donated leave shall not be converted to cash or retirement credit by the leave recipient.
4. Annual or sick leave donated by an employee is understood to be a donation and shall not be sold or loaned to the recipient.
5. No employee shall directly or indirectly intimidate, threaten, coerce, or attempt to intimidate, threaten, or coerce any other employee for the purpose of interfering with the employee's right to voluntarily contribute leave when authorized under this procedure. For the purpose of this procedure, "intimidate, threaten, or coerce" shall include, without being limited to, the promise to confer or the conferring of any benefit or effecting or threatening to effect any reprisal.
