Major: Associate of Science in Pre-Architectural Drafting and a Certificate in Computer-Aided Design & Drafting (CADD).

"GCC prepared me technically through writing and math. The classes cover the right amount of material that I can take with me. My advisor and the faculty at GCC are supportive and have always kept in touch even after graduating from Oklahoma State University in 2019. I now work as an engineer in Oklahoma City."

Major: Visual Communications

"GCC's Visual Communications program helped me become better with various forms of visual media. Before GCC, I focused mainly on videography. Now I am competent in graphic design, photography, web design, marketing, and advertising. GCC offers excellent hands-on experience with knowledgeable instructors. You will receive a great education.

My experience at GCC was something that I'm grateful for. I was able to enhance my skills and knowledge in visual communications, and have a better understanding and appreciation for the marketing field. To all the faculty and staff at Guam Community College, I'd like to say, 'Thank you!' for all your hard work and dedication to help the people of Guam achieve their dreams and goals.
