Everyone can participate! Individuals, families schools, government agencies, businesses and other organizations are all invited to register.

Please maintain social distancing.

You are invited to join thousands of people who will “Drop, Cover, and Hold On” on October 15th at 10:15 a.m. in the 2020 Great Guam ShakeOut! More than 67 million people were registered in ShakeOut drills worldwide in 2019. Participating is a great way for your family or organization to become better prepared to survive and recover quickly from big earthquakes. Why is “Drop, Cover, and Hold On” important to practice? You may only have seconds to protect yourself in an earthquake before strong shaking knocks you down, or something falls on you. Practicing helps you be ready to react. Visit ShakeOut.org/dropcoverholdon to learn more.
