Chachalani

- **NEWS**
- **Posted Date:** 10/01/2020

We believe in giving our campus community a place that will bring people together to share and view stories of their accomplishments and experiences at GCC. Chachalani is our online newsletter highlighting campus news and events from students, employees and our community.

Since transitioning from a PDF to a Website, Chachalani now provides multiple ways to share stories that work best for you, through writing, images, and video.

[Your Story is OUR Story. Share yOUR Story today.](#) [2]
