Technology to Support Remote Learning

- NEWS
- Posted Date: 01/08/2021

We at GCC want to make sure you have access to the technology you need to be successful in remote learning.

For this reason, we are providing you access to our computer lab in the 5000 building and the computer stations in the Learning Resource Center. These areas will be available from 8:00am – 10:00pm Monday – Thursday and 8:00am – 5:00pm on Fridays.

It is highly recommended you call the LRC at 735-0228, 0229 or 0230 to reserve a computer station, or to ensure that stations are available. When you arrive on campus to use a computer, please go to the Learning Resource Center (LRC) to sign-in and to be assigned a computer station. Reservations are taken until 5:00 p.m., Monday – Friday. Walk-ins are welcome, however, the use of computers will be on the basis of availability and students with scheduled appointments will be prioritized.

Also, should you still need to sign-out a laptop computer and/or a MiFi device from GCC, please go to <https://www.surveymonkey.com/r/gccmifilaptop> [2] and let us know more.

Please don't forget to wear your student ID whenever on campus.
