In celebration of Earth Month, the Guam Community College will be participating in the upcoming Islandwide Beautification Task Force Cleanup on Saturday, April 24, 2021, beginning at 6:00 a.m. The meeting location will be at Papa John's Pizza Parking Lot in Mangilao. Gloves, trash bags and water will be provided. Please bring your reusable water bottles to minimize waste. Dress comfortably and keep hydrated. Make sure to wear your brightest GCC shirt! In addition, always be cautious of your surroundings and practice safety as you make your way throughout our site and roadways. Also, continue to practice social distancing (6 feet) and wear your masks at all times during the event.
