Guam Great ShakeOut! Let us join the international community in the Great Shakeout day, October 21, 2021, at 10:21 AM.

Our response to the drill is: DROP!, COVER!, and HOLD ON for ONE minute. Please assist anyone who may need further assistance during the drill. Please be aware of your surroundings, above and below.

With the COVID-19 pandemic, we have many adaptations at home, work, and school - all while learning a lot. As we participate in this Great Shakeout, Earthquake Drill, let us continue to be mindful of our COVID-19 measures. The 3Ws [wear face-covering - mask, wash hands, and watch your distance].
