Warning: Fake GCC Website

- Posted Date: 11/17/2021

Håfa Adai All,

Please be careful as there are fake websites claiming to be GCC. Please be sure to always check your web addresses and only access your GCC accounts from <https://www.guamcc.edu> [2].

Keep your information safe and do not click any suspicious links or buttons. GCC will never ask for your password so do not share your passwords with anyone claiming to be from GCC.

If you are ever unsure about a link or email, please feel free to forward any suspicious emails or links to MIS at gcc.mis@guamcc.edu [3].

Below is a sample of a fake website pretending to be GCC. If you see this website or something similar, please report to MIS and leave the page immediately.

The screenshot shows a web browser window with the address bar displaying <https://www.ed2go.com/guamcc/>. The website header features the GCC logo (Guam Community College) on the left, navigation links for 'Courses', 'Resources', and 'My Classroom' in the center, and a search bar with the placeholder text 'Search Courses...'. On the right side of the header, there are links for 'Log In' and a shopping cart icon. Below the header is a large banner image showing a group of people looking at a laptop. Overlaid on this image is the text 'Guam Community College' and a search bar with the placeholder text 'Search Courses' and a blue 'Search' button. Below the banner, the main content area contains the following text: 'Learn new personal and professional skills online in Barrigada, GU!', 'Welcome to our Online Instruction Center.', 'We offer a wide range of highly interactive courses that you can take entirely over the Internet. All of our courses are led by expert instructors, many of whom are nationally known authors. Our online courses are affordable, fun, fast, convenient, and geared just for you.', and 'Ready to explore our catalog? Browse our catalog or check out our [Popular](#), [New](#), and [Featured](#) Courses.' To the right of this text is a small image of two people, a man and a woman, looking at a laptop screen.
