- **NEWS**
- **Posted Date:** 01/31/2022

“The Guam Homeless Coalition has begun their Point-In-Time survey yesterday, January 27, after a one-year hiatus. Volunteers from Guam Community College’s MASO set out early this morning to take place in the island-wide count of sheltered and non-sheltered people experiencing homelessness.

The Guam Homeless Coalition’s purpose is to respond to the needs of homeless families and individuals by providing support through awareness, education, and advocacy. The GHC will conclude their Point-In-Time survey today, January 28. If you are interested in providing help to our neighbors in need, go to www.guamhomelesscoalition.org [2] for more information. Remember, no act of kindness, no matter how small, is ever wasted.
