- **Posted Date:** 08/13/2022

The Cengage Unlimited Program is intended to assist students enrolled in the Fall 2022 semester, effective August 17, 2022. Due to the limited quantity of available Cengage Unlimited 4-month and 12-month access codes, students must demonstrate an exceptional need, such as students who receive Pell Grants or undergraduates with extraordinary financial circumstances. The following standard operating procedure is to be used to determine a student's eligibility to receive a Cengage Unlimited access code, free of charge.
