Hafa Adai GCC Students and welcome to GCC!

It's not just the beginning of the school year. It's a new opportunity, another chance, a new beginning. We encourage you to participate in all great learning opportunities and make the most of every moment at GCC. Know that what you do matters. Make it count. Make a difference.

As part of our commitment to continually enhance your on-campus experience, you will notice various ongoing construction projects. We ask that you safely make your way around these sites for your safety.

Please familiarize yourself with the campus and its resources to help make your college experience successful.

Have a GREAT semester!
