Congratulations on making the President's List!

The Guam Community College congratulates students each semester for their high academic achievement and inclusion on the college's President's List. A suitable notation of this achievement is placed on their College transcript. To qualify for the President's List, a student must achieve a semester grade point average of 4.00 with enrollment and completion of 12 or more credits for the semester (Pass/Fail and Credit/No Credit courses are not counted).

The President's List is published at the completion of the semester by the Admissions & Registration Office via MyGCC.

Attached is the official document of the following students who have met the requirements for the President's list for Spring 2023. The students are listed in alphabetical order.
