Congratulations on making the Dean's List!

The Guam Community College congratulates students each semester for their high academic achievement and inclusion on the college's Dean's List. A suitable notation of this achievement is placed on their College transcript. To qualify for the Dean's List, a student must achieve a semester grade point average of 3.75 or higher with enrollment and completion of 12 or more credits for the semester (Pass/Fail and Credit/No Credit courses are not counted). The Dean's List is published at the completion of the semester by the Admissions & Registration Office and a copy of this memo will be emailed to all recipients.

Attached is the official document of the following students who have met the requirements for the Dean's list for Spring 2023. Students are listed in alphabetical order.
