Welcome to those who are just starting at GCC and welcome back to those who are returning from a hopefully restful summer :)

This semester offers heaps of opportunities for personal and academic growth. We encourage you to grab those opportunities as you encounter them throughout the semester. Prioritize your studies — but make time to engage in campus life and explore your interests. By participating in campus activities and joining GCC student organizations, you will meet new people, establish meaningful

connections and create memories that will remain with you long after graduation day.

Everyone who goes through our doors is a valued member of our campus community and we are here to support you throughout your time at GCC. Our faculty, staff and administrators are committed to your success and well-being. If you need assistance, please take advantage of the services we provide mentioned in the links below.

We wish you ALL THE BEST this semester and look forward to seeing you around campus.
