Welcome to GCC

- **EVENT**
- **Event Date:** 01/10/2024 08:00 AM

Welcome to GCC, new and returning students! We hope you had an enjoyable break and are excited to begin the new semester.

GCC is packed with opportunities for personal and academic growth. We encourage you to grab these opportunities as they approach your way throughout the semester. Prioritize your studies, but also make time to engage in campus life and explore your passions. By participating in campus activities and joining student organizations, you will meet new people, establish meaningful connections and create memories that will last long after graduation.

Every individual who walks through our doors is a valued member of our community, and we are committed to supporting you! Our faculty, staff and administrators are here rooting for your success and well-being. If you need assistance, please take advantage of the services we provide. They are designed to help you thrive!

As a reminder, please make sure that you have submitted all health clearances to the Health Services Center, cleared your financial obligations, confirmed that you are enrolled in the required courses and completed the FAFSA (if applicable).

We wish you the best and look forward to seeing you around campus.
