LinkUp! and See How We're Turning Degrees into Careers with the GCC's Business & Visual Communications Department

Sixth Annual Department Reverse Job Fair

Guam, April 15, 2024

Guam Community College's Business and Visual Communications Department proudly announces the 6th Annual LinkUp!: **Turning Degrees into Careers**. Scheduled for **April 24th and 25th, from 9 AM to 2 PM**, the event will take place at Guam Community College New Multi-Purpose Auditorium.

LinkUp! is a unique reverse job fair that offers a platform for soon-to-graduate students to showcase their resumes and portfolios to potential employers. This year, the event will be combined with Show & Sell, a bazaar featuring student-owned businesses, offering an even broader spectrum of talent and innovation.

With over 20 student exhibitors and vendors participating, attendees will have the opportunity to engage with students for a total of five hours over the course of two days. This setup ensures ample time for meaningful interactions and connections to be made.

The event promises an enriching experience for both students and employers, facilitating networking opportunities and the exchange of ideas. Attendees will witness firsthand the diverse skills and talents possessed by Guam Community College students, making it an event not to be missed.

Join us at the 6th Annual LinkUp! event and witness the transformation of degrees into careers!

WHAT

LinkUP! is a reverse job fair where employers can find their next potential employee! Graduating students will showcase their work throughout their years at the Guam Community College.

WHY

LinkUP! is an event designed to be at your convenience. Employers will have the opportunity to meet a variety of potential employees at this event. LinkUP! ensures that you will be connecting with the best!

HOW

Students will have booths set up, similar to your traditional job fair, and exhibit the work they have created throughout their years at the Guam Community College.
