Congratulations on making the Dean's List!

The Guam Community College congratulates students each semester for their high academic achievement and inclusion on the college's Dean's List. A suitable notation of this achievement is placed on their College transcript. To qualify for the Dean's List, a student must achieve a semester grade point average of 3.75 or higher with enrollment and completion of 12 or more credits for the semester (Pass/Fail and Credit/No Credit courses are not counted). The Dean's List is published at the completion of the semester by the Admissions & Registration Office and a copy of this memo will be emailed to all recipients.
