

Returning Student

Welcome back! We've missed you. The place hasn't been the same without you. Whether you've just been away for a year or six years, we are here to help you get back on track.

Here's what you need to know to apply for readmission:

1. First thing, if you've been gone for more than two semesters (summer not counted) you need to complete an [Application for Admission AY 2020-2021 \(New\)](#) [1]. Please include a copy of your photo ID if you are submitting via email to gcc.registrar@guamcc.edu.
2. If you are planning to use Financial Aid, complete the [FAFSA](#) [2] **application**. GCC's school code is 015361. For more information regarding [Financial Aid](#). [3]
3. Visit the [Student Health Center](#) [4] and submit an updated Student Health Information Form and your shot record to clear your health hold. They will advise you if additional information is required. For more information regarding the [Student Health Center](#) [5].
4. Take the [Placement Test](#) [6] again if you have not already met English and Math requirements. View the GCC placement tool to understand your results.

5. We recommend that you schedule an appointment to meet with an academic counselor and register for classes. Together you'll review your test results and previous history and the counselor will help you select courses. ([Click here for Summer/Fall Advisement Services](#)) [7]

6. Pay tuition and fees in full. You'll be dropped from all of your courses if you fail to pay your tuition in full by the due date or complete your Financial Aid paperwork.

7. Get your student ID.

8. Buy your textbooks.

9. Login to [MyGCC](#) [8] portal. This is where you'll access student tools (grades, GPA, register for classes, etc.). You can also find campus announcements, news, and events in the portal.

Please be advised the of the following:

As a student registering for courses, you acknowledge that you assume academic and financial responsibility for these adjustments to your registration. You acknowledge that you will be responsible for the full tuition and fees unless you officially drop courses before the end of the schedule adjustment period.
