

Articulation with other Post-Secondary Institutions

Since Guam Community College is fully accredited with the [Accrediting Commission for Community and Junior Colleges \(ACCJC\)](#) [1], GCC credits and some entire programs will articulate, or transfer to other accredited postsecondary institutions. These articulation agreements offer GCC students a way in which to expand and enrich their postsecondary educational experience. For more information about GCC articulation with other institutions, see [Appendices A-E in the GCC Online Catalog](#) [2].

The Pohnpei Accord

Participants from the College of the Marshall Islands (CMI), the College of Micronesia-FSM (COM-FSM), Guam Community College (GCC), Northern Marianas College (NMC), Palau Community College (PCC) and the University of Guam (UOG) met on the campus of the College of Micronesia-FSM on December 8-11, 2003, to reaffirm friendly relations and an exchange of mutual communication and cooperation among the six regional institutions of higher learning, and to discuss regional distance education initiatives. This meeting resulted in the [Pohnpei Accord](#) [3], which clearly articulates academic transfer of credit guidelines for students entering the University of Guam from the five regional colleges.
