

CLYMER Program

Classroom Learning Yields Math & English Readiness

CLYMER program is not a scholarship - fees and tuition rates still apply. CLYMER program is an option and is not mandated by the Guam Community College.

CLYMER is a program designed to help you

- Save money by avoiding developmental courses.
- Graduate on time with an Associate's Degree.
- Transfer to a four-year institution and graduate in a timely manner.

INFORMATION

Based on data from 2010 to *Present*, students who took **MA110**, **MA161A**, and **EN110** upon graduating from high school or by participating in our DEAL program without taking any developmental courses performed as follows:

- **MA110**: Approximately 80% successfully completed MA110 with a "C" or better.
- **MA161A**: Approximately 90% successfully completed MA161A with a "C" or better.
- **EN110**: Approximately 85% successfully completed EN110 with a "C" or better.

If a student DOES NOT complete the college-level course registered through the CLYMER program with a "C" or better:

- The student may choose to retake the course.
- The student may choose to take a developmental course based on the results of the class and the advisement of the instructor.
- The student may choose to take the placement exam to determine an appropriate developmental course.
