## INFORMATION

- The CLYMER program is not a scholarship. *Fees and tuition rates still apply.*
- The CLYMER program is an option and is not mandated by the Guam Community College.

Based on data from 2010 to *Present*, students who took **MA110A**, **MA115**, **MA161A**, and **EN110** upon graduating from high school or by participating in our DEAL program without taking any developmental courses performed as follows:

- **MA110A & MA115:** Approximately 80% successfully completed MA110 with a “C” or better.
- **MA161A:** Approximately 90% successfully completed MA161A with a “C” or better.
- **EN110:** Approximately 85% successfully completed EN110 with a “C” or better.

If a student DOES NOT complete the college-level course registered through the CLYMER program with a “C” or better:

- The student may choose to retake the course.
  - The student may choose to take a developmental course based on the results of the class and the advisement of the instructor.
  - The student may choose to take the placement exam to determine an appropriate developmental course.

## **My grade is a C and my GPA is lower than 3.2, can I still try to apply?**

If an interested applicant does not meet a specified grade requirement (due to a “C”) or does not meet a specified GPA requirement by 0.2 or less (GPA of 3.0 - 3.19), the student may still apply, but must provide the following:

- A letter from the applicant providing a self-assessment of his/her

ability to successfully complete the college-level course(s) in which the applicant intends to enroll, and information about the applicant's educational goals.
