Parking

[1]

Over 500 parking spaces are available on campus for students, employees & visitors. Additional parking spaces are also available on Sesame and Corten Torres streets

Accessible parking spaces are available in front of all buildings. Ramps leading into buildings are also available where needed.

Designated motorcycle/scooter parking slots are available near some buildings

Bicycle racks are available in some areas.

Redlined curbs indicate no parking zones.

Loading zone areas are restricted to authorized vehicles only.

No parking is allowed on grass or areas not designated as a parking space.

The parking area between Bldg 400 and Bldg 500 is restricted to GCC vehicles.

Cars parked in no parking or unauthorized zone areas may be subject to towing.
