

Environmental Health & Safety

Mission

The Environmental Health & Safety Office is responsible for implementing and monitoring GCC's Safety Program. Periodic unannounced (spot) inspections of all campus facilities and satellite high schools are conducted to identify possible local or federal OSHA related violations. Safety training is provided to faculty and staff personnel in coordination with the Human Resources Department. The Environmental Health & Safety Office also acts as an alternate liaison with any natural disaster as GCC's FEMA Project Coordinator.

Recognize Report Prevent

STOP SEXUAL ASSAULT

You have the **RIGHT** to feel safe at GCC or at a GCC event. If someone makes you feel unsafe, or threatens or harms you,

TELL SOMEONE!

Sexual assault is sexual contact or behavior that occurs without explicit consent of the victim. That means if someone does not tell you it is ok to touch them or act in a sexual way, then **DON'T DO IT.**

FACT If a person you want to have sex with tells you that he or she **DOES NOT WANT TO HAVE SEX WITH YOU**, or the person is too drunk or drugged or just cannot say whether they want to have sex, and you have sex with that person anyway, that is called **RAPE.**

FACT RAPE is a form of sexual assault.

FACT Rape and sexual assault are **CRIMES.**

FACT You can go to **PRISON** if you rape or sexually assault someone.

GCC has a **zero-tolerance** policy on sexual harassment, sexual violence, discrimination, bullying, and hazing, per the GCC Board of Trustees Policy 185 AND the federal Title IX law. GCC also practices equal opportunity and affirmative action for all persons regardless of race, religion, color, sex, age, or national origin, per BOT Policy 160. The College has procedures in place to help and protect our students, employees, and visitors.
