

President's Message

Hafa Adai!

Over the past 40 years, thousands of people have turned to Guam Community College to earn an associate's degree, certificate, industry certification, GED, Adult High School Diploma, or to prepare to transfer to a four-year institution to earn a bachelor's degree, gain a new skill, or simply enrich their lives. The College engages with the community in order to be able to provide programs and services that can best meet the needs of the community and the workforce now and in the future, especially with the onset of the military buildup and our expanding tourism markets. The President's Office is committed to working with faculty, staff and administrators to ensure that GCC is responsive to the needs of our students and the community we serve. At GCC, we can help you to build a better quality of life for yourself, for your family, and for our island community.

Si Yu'os Ma'ase,
Mary A.Y. Okada, Ed.D.
