

Raquel Maminta

Banquet Sales Coordinator

I'm really thankful for all of the things I learned at GCC, because the program shows you the way the hotel works, all the nuts and bolts of what we need to know, so when you start working, it's applying everything that I've learned and not just doing it the way the hotel does it, but also, trying to find ways that you can do it better. As a (former) student who is now working in the industry, I see that Guam has a lot of potential, so from what I learned at GCC, I want to bring Guam to that level.
