

Student Responsibilities

Student Responsibilities:

- Be knowledgeable about college policies, procedures, requirements, and deadlines.
- Obtain a semester Schedule of Classes to review possible course options prior to an appointment with your advisor.
- Complete a trial schedule prior to meeting with your advisor.
- Review your degree evaluation prior to any advising appointment.
- Schedule and keep your advising appointments.
- Know and fulfill college and major departmental requirements. All program requirements are listed in the [college catalog](#). [1]
- Be responsible for processing, completing and obtaining all necessary forms required for obtaining your degree.
- Follow through on recommendations or referrals discussed during your advisement appointments.
- Contact an advisor immediately with your concerns about academic progress in a particular class or during the semester.

You are ultimately responsible for your college experience!

Advisor Responsibilities:

- Demonstrate concern for each Advisee.
-
