NATIONAL ANTHEM

The Star Spangled Banner

Lyrics by Francis Scott Key (1814)

Oh, say, can you see, by the dawn's early light,
What so proudly we hailed at the twilight's last gleaming?
Whose broad stripes and bright stars, thro' the perilous fight,
O'er the ramparts we watched, were so gallantly streaming?
And the rockets' red glare, the bombs bursting in air,
Gave proof thro' the night that our flag was still there.
Oh say, does that star-spangled banner yet wave
O'er the land of the free and the home of the brave.

GUAM HYMN

Fanohge CHamoru

Ramon Manalisay Sablan, M.D. (1934)

Translated to CHamoru by Lagrimas Untalan

Fanohge CHamoru put i tano'-ta.

Para I onra, para I gloria, abiba I isla sen parat.

MESSAGE FROM THE PRESIDENT

Congratulations to the Guam
Community College Class of 2022!

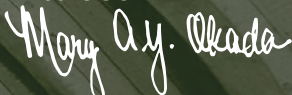

People will look back at this time and see the many challenges we faced during the worldwide pandemic and the resolve it took to overcome. You, the GCC graduating class of 2022, should look back and marvel at how you overcame the challenges and succeeded even in the face of its challenges.

These past few years have, no doubt, tested your resolve and commitment. The option to delay your education would have been a reasonable decision during this period of uncertainty. Yet, your determination to finish what you started is now being rewarded with your graduation. More than that, you now enter a new chapter of your lives knowing you have what it takes to persevere and succeed even in the most uncertain of times. That alone separates you for success.

We are proud of your achievements. We are excited for your future contributions to our island. We commend you for your tenacity and commitment.

Congratulations to you all. We wish you much success in your future endeavors. Remember that once you have been a part of GCC, you are always considered part of GCC, so stay connected.

Biba GCC!

Mary A.Y. Okada, Ed.D

GCC MOST DISTINGUISHED & DISTINGUISHED GRADUATES

MOST DISTINGUISHED GRADUATE

Allyson L. Seibert

Allyson has had many life experiences, but her time at GCC has been one of the most exciting. After taking an extended break from school, completing her degree in Office Technology has been a lifelong dream. Being given the honor of this year's Most Distinguished Graduate is such a memorable achievement that she will never forget. She is a member and was the secretary of the Administrative Professionals Society. She interned at GRMC for three months and learned so much from the professionals she worked alongside. In addition, she is a wife of 20 years and a mother of two wonderful sons. Setting a good example for them is very important to her. Allyson is moving to England with her family this summer and will be utilizing her new degree and education across the pond. She hopes to return to school again soon to work on a bachelor's degree in Human Resources.

“It is never too late to achieve your goals; I am proof of that.”

“My time as a student at Guam Community College was a wonderful experience, and I encourage anyone who wants to go back to school to attend this fine institution. The faculty, staff, administration, and students are some of the best I have ever met. Their passion for helping and encouraging students is amazing and doesn't go unnoticed”.

DISTINGUISHED GRADUATE

Tamika Marie U. Ballesta

Human Services graduate Tamika Marie Untalan Ballesta is ending her two-year journey here at GCC as 'GCC's 2022 Distinguished Graduate' and will further her education by pursuing her Bachelor's in Social Work at the University of Guam. Her time here at GCC was nothing but great, joyful memories. From being an active member of PTK (Phi Theta Kappa) and the treasurer of HSSO (Human Services Student Organization), Tamika enjoyed being involved in organizations alongside her fellow peers. Taking with her all the knowledge and experiences she has learned throughout her major's course, she will apply that to her personal and ultimate goal, which is to make an impactful change within Guam's community.

“Be the change you want to see in this world. If you want to see a change in the world, you must start within yourself.” she quoted.

“Coming to GCC has changed my life, especially being in the Human Services division. I have met so many wonderful people and gained so much knowledge from my professors. I want to thank my family, my other half, friends, and most importantly, Professor Arwen Franquez for pushing me to always strive for excellence.” she states.
