

Congratulations Distinguished Alumni!

This year, we are proud to announce our Distinguished Alumni winners and acknowledge our two nominees, Ms. Jennifer Muna-Aguon, a graduate of the Class of 81 who received her Associate in Computer Science and Kelley Jewell Meno, a graduate of the Class of 81 in the Computer Science Program.

Phillip Palomo Ada

He graduated from our Vocational High School Electronics Program in 1979. He continued his education with GCC in our postsecondary Electronics Engineering Technology program and graduated with an Associate of Science in 1987. He is employed as a Supervisor Performance Rep for NAVFAC Marianas.

Mary Sencion English

Mary began 2004 and graduated 2006 with an Associates of Science in Accounting. She served as President of Phi Theta Kappa's Beta Beta Xi Chapter.

During her tenure as president, enrollment in Phi Theta Kappa saw a dramatic increase resulting in national recognition for Guam Community College at the Phi Theta Kappa Honor Society's 88th Annual

and to our nominees!

JENNIFER MUNA-AGUON
Class of 1984
Associate in Computer Science

KELLEY JEWELL MENO
Class of 1981
Computer Science Program

International Convention, which earned her the award as the Distinguished Chapter President. She is currently employed as a kitchen & bath design consultant at Home Depot. She also is one of eight certified Senior Professional Human Resource (SPHR) professional on Guam.

Our Distinguished Alumni Award Recipients received a beautifully encased Guam Community College Seal and will also be receive a “Walk of Fame” tile. The Walk of Fame Tile will bear the Guam Community College Seal along with the recipient’s name, graduation year, and trade.

The tiles will be strategically placed on the side walk of the quad area where the three new buildings will be located.

Our newest building which is the Allied Health Center will be completed by September 2009, the Learning Resource Center in the center, of which we will break ground this summer and the Student Center next year.
