FOR IMMEDIATE RELEASE

GCC students plan to “Link Up” with employers at VisCom reverse job fair

Looking to hire? On Wednesday, April 11, 2018, students in the Guam Community College Business and Visual Communications programs are hosting a reverse job fair from 9am to 2pm at GCC’s Multi Purpose Auditorium. Graduating students will create individual displays showcasing their skills and what they can offer companies. Employers will be free to walk around and talk to the graduates one on one. Students in the Marketing, Visual Communications, Accounting, Supervision and Management, Culinary & Food Services, and Tourism & Travel Management programs will be participating. In addition, there will be a traditional job fair with employers from the culinary and hospitality industries.

“I’m excited to showcase what I have learned here at GCC and am looking forward to joining Guam’s workforce!” Krisha Dionisio, Visual Communications 2018 graduate, said of participating in the job fair.

“This is an excellent opportunity to showcase our students - the products of our programs,” said Amada Manzana, GCC Business and Visual Communications Department Chair and Event Co-Chair.

Interested employers and students should contact the GCC Student LinkUp! Marketing Team at www.linkupwithgcc.com or call Nita JP Cepeda, Visual Communications Instructor and Event Co-Chair, at 482 - 9779. We look forward to connecting with the best!
