FOR IMMEDIATE RELEASE

## 1<sup>st</sup> annual Marianas Terrestrial Conservation Conference at GCC Nov. 17-18

University, agency and contracted researchers will share the latest information on the unique land habitats in the Mariana Islands at the first annual Marianas Terrestrial Conservation Conference and Workshop this Friday and Saturday, November 17-18, in the Guam Community College Multipurpose Auditorium (Bldg. 400). The event is free and open to the public. Researchers will also discuss invasive species management, research on endangered birds and plants, watershed management and other ecological topics.

Conference/Workshop Schedule overview:

- Friday, November 17 8am – 9am: Registration and Welcome
- Friday, November 17 9am - 5pm: Presentations and discussion panels
- Friday, November 17 5pm – 6:30pm: Poster reception
- Saturday, November 18 8am – 12pm: Field trips
- Saturday, November 18 1pm – 5:00 pm: Presentations and discussion panels

Please visit <https://marianasterrestrialconservation.weebly.com/> for more information, to register for the conference, and to sign up for field trips. For questions, contact Haldre Rogers at [haldre@iastate.edu](mailto:haldre@iastate.edu) or Joni Kerr at [jonikerr@gmail.com](mailto:jonikerr@gmail.com).
