Development & Alumni Relations

PLEASE NOTE:

Most private scholarship program donors at GCC:

1) Use the GCC Scholarship Committee to review and select recipients or recommend recipients for the scholarships.

2) Award the check directly to the student or give the scholarship money in advance to GCC and then GCC prepares the check for presentation to the student.

3) Presentation of the scholarship check is made at the GCC campus with the GCC President, the student(s), the Donor or representatives of the Donor, Financial Aid representative and the Development & Alumni Relations Office. Arrangements are made by the Financial Aid Office and coordinated with the Development & Alumni Relations Office.

4) Photos are taken and submitted to local media.
