

Drug and Alcohol Prevention Program Committee

Nov. 18, 2021

Meeting Minutes

Participating online: Deborah Ellen, Tony Roberto, Kim Bautista, Katarina Hernandez, Maria Hernandez, and John Payne

1. We welcomed the new student team members, Maria Hernandez and Katarina Hernandez.
2. John briefly went over Title IV and the Biennial Report requirements.
3. Deborah asked for more clarification regarding Title IV. We will ask Gary to talk more about that in future meetings.
4. The committee is also asking for more details about the Annual Security Report (ASR) and the information that may be put in it. One of the concerns was that the current ASR did not seem to have all the crime statistics from the Mangilao area.
5. Committee members also asked if Nurse Emma could be included as part of the committee since she may see students under the influence of drugs or alcohol at her office.
6. The committee also wanted a follow up as to the status of the campus climate survey. We believe that the data can be used to identify the services needed and the issues our campus community is dealing with.
7. Tony discussed the ASR, the Drug and Alcohol Prevention Program, and the guide from U.S. DOE on substance abuse.
8. John asked everyone to read the guide for future discussion.
9. John said that he would contact Guam Behavioral to set up trainings on Drug and Alcohol Abuse Prevention in the meantime. He also said he would ask for guidance and resources.
10. Deborah agreed that we need to focus on Drug and Alcohol Abuse Prevention educational and awareness efforts as a start.
11. John to also look at what the University of Guam has in place since we serve a similar demographic set of students in the same general area.
12. John will also pass along any information between now and the next meeting.

Next meeting to be held via Google meet on the second Thursday in January 2022 at 3:00pm. John to schedule the meeting.
