The College's data information access software, known as the Operational Data Store (ODS) within the Banner System, as well as numerous administrative departments, provided the data presented in this Fact Book. In its attempt to present a comprehensive profile of the entire college, the Guam Community College Fact Book represents the best information available at this time.

AY 2013-2014 Fact Book

General Information: Mandate, Vision, Mission, Accreditation

Guam Community College Mandate

Guam Community College (GCC) is a multi-faceted public career and technical educational institution, created by the Community College Act of 1977 (as amended by P.L. 31-99 in 2011) to strengthen and consolidate career and technical education (CTE) on Guam. The College operates secondary and postsecondary CTE programs, adult and continuing education, community education, and short-term specialized training, as dictated by community and industry needs. These programs are delivered both on and off-campus, in satellite programs at Guam's public high schools and on site at businesses as needed. The College also serves as the State Agency for Career and Technical Education under the United States Vocational Education Act of 1946, 1963, and subsequent amendments. The College offers over 50 programs of study, and prepares students for entry-level employment in career and technical fields or transfer to four-year institutions of higher education. The College offers a variety of community service and special programs to prepare students for college experiences including English as a Second Language, Adult Basic Education, General Education Development (GED®) Testing Program preparation and testing, and an Adult High School Diploma program.

Vision

Guam Community College will be the premier educational institution for providing globally recognized educational and workforce development programs.

Mission

Guam Community College is a leader in career and technical workforce development, providing the highest quality, student-centered education and job training for Micronesia.

Sinangan Misi3n (Chamorro translation)

Guiya i Kulehon Kumunidat Guahan, i mas takhilo' mamananuen fina'che'cho' yan i teknikat na kinahulo' i manfáfache'cho' ya u na' guaguaha nu i manakhilo' yan manmaolek na tiningo' ni i manmafananágui yan i fina'na'guen cho'cho' gi iya Maikronesiha.

Accreditation

GCC is accredited by the Accrediting Commission for Community and Junior Colleges (ACCJC), Western Association of Schools and Colleges (WASC). It has been continuously accredited since 1979 by ACCJC/WASC. Documents describing the accreditation of the College may be examined at the Academic Vice President's office. The Registrar may also be contacted for further information or to make arrangements to examine the accreditation documents. With the recommendation of the Curriculum Review Board of the American Association of Medical Assistants (AAMAE), GCC's Medical Assisting program has also been accredited by the Commission on Accreditation of Allied Health Education Programs (CAAHEP) since 2003.

An eleven-member team visited the College on March 19-22, 2012 and as a result of this visit, the College's accreditation was reaffirmed through the year 2018, which is the maximum allowable period.

General Information: Faculty and Facilities**Faculty and Facilities**

The College faculty are well qualified by their education, experience and industry certifications to offer courses and programs of study which achieve the mission of the College. Faculty credentials are found at the back of the Academic Year 2013-2014 Catalog published by the College in both print and online formats.

The College is located in the village of Mangilao on a 32.75 acre-campus. Standard classroom facilities are housed in permanent concrete buildings. Metal buildings are used primarily for career and technical education shop facilities. In the past seven years, several major capital improvement projects to expand and improve the College's facilities included the construction of new buildings and the renovation of existing ones.

The Anthony A. Leon Guerrero Allied Health Center opened on December 21, 2009, and was used for the first time in January 2010. The two-story, 22,000 square foot facility houses two lecture halls, a computer lab for nursing students, two science labs, two nursing classrooms, two nursing labs, one administration lab, one clinical lab, one simulated hospital classroom, one conference room, and faculty and staff facilities. The total cost of construction for the Allied Health Center was \$4.03 million. The Allied Health Center houses GCC's Practical Nursing and Medical Assisting programs, as well as science courses with laboratory components.

The LEED-Gold certified Learning Resource Center opened on December 10, 2010 and is the first LEED-certified building for the Government of Guam. The total cost of construction for the LRC was \$4.3 million, while furniture and equipment costs were approximately \$900,000. The building was funded through grants from the U.S. Departments of Education, Interior, Energy, and Agriculture, as well as the GCC Foundation Board of Governors, which provided the money for the architectural and engineering design of the building.

A new Student Center, the third new building constructed on the GCC campus within a three-year span, was built adjacent to the Learning Resource Center and opened in December 2011. The Center consists of a two-story, 22,000 square foot facility that includes a plaza and student square, a student lounge, meeting rooms, and energy efficient photovoltaics installed on its roof.

The completely renovated GCC Foundation Center opened on November 5, 2012. The Center is a two-story 21,000 square foot building with classrooms and testing rooms for Adult Basic Education, Adult Secondary Education, and English as a Second Language courses. The building also includes an expanded College Bookstore and a café for students.

The renovation and upgrade of Building 200 began in July 2013 and is expected to be completed in September of 2014. It will be a two-story, 22,600 square foot concrete structure containing ten classrooms/labs, a study room and an exercise room.

In its continuing efforts to expand and improve facilities, the College began the architecture and engineering design for the renovation and expansion of Building 100 in July 2013; and, the expansion of the Director Gregorio Guevara Perez Crime Lab which will include a classroom for the GCC Criminal Justice Program's Forensic Lab Technician concentration and a DNA lab for the Guam Police Department is also in the planning stages.

All four of GCC's new buildings were designed by Taniguchi Ruth Makio Architects as part of the College's Physical Master Plan. The College's Physical Master Plan (2009-2014) projects the growth of the College over a 5-year and 10-year period.

Terms & Acronyms

AA Associate of Arts
ABE Adult Basic Education
Adjunct Part-time faculty
AHS Adult High School
AS Associate of Science
ASE Adult Secondary Education (Adult High School)
AY Academic Year (Fall and Spring semesters)
CERT Certificate
COMPASS A computer-adaptive college placement program that uses test results to quickly evaluate incoming students' skill levels in the areas of reading, writing skills, writing essay, and math.
Completer A student who receives a degree, diploma, certificate, or other formal award. In order to be considered a completer, the degree/award must actually be conferred.
DCAPS Dual Credit Articulated Programs of Study
DEAL Dual Enrollment Accelerated Learning
Declared A student pursuing a specific post-secondary certificate or degree.
Enrichment Student A student who does not intend to declare a major or pursue a degree program, but who plans to complete more than 18 credit hours of postsecondary work.
FY Fiscal Year (October 1–September 30)
GED® General Education Development (GED®) Testing Program

Headcount The count of students enrolled in a given period of time (e.g. semester, annual, etc.). This can be either duplicated or unduplicated counts.

HS High School

Journeyworker Certificate Programs approved and registered with the Bureau of Apprenticeship & Training, United States Department of Labor.

Not Reported Information was not indicated on the Student Information Form.

ODS The Operational Data Store is the College's institution-wide information reporting system within the Banner system.

Other Programs For purposes of this publication, other programs include undeclared students, enrichment students and students seeking a Journeyworker Certificate, an Adult High School diploma, or industry certification.

TPS School of Trades and Professional Services

TSS School of Technology and Student Services

Undeclared A student taking courses who has not formally identified a particular degree, certificate or diploma program.

Unduplicated Enrollment Refers to students enrolled for credit with each student counted only once during the reporting period (e.g. semester, etc.), regardless of when the student enrolled.

²⁴ Under the Dual Credit Articulated Programs of Study (DCAPS), students enrolled in GCC's Career and Technical Education courses in the five Guam public high schools can earn college credit in GCC postsecondary programs if they earn a grade of "B" or better in these CTE programs. The DCAPS program was implemented in the spring of 2012.

²⁵ GCC's Dual Enrollment Accelerated Learning (DEAL) program allows eligible students to enroll in college courses concurrently with high school courses to receive both high school and college credit simultaneously. GCC has DEAL program agreements with Guam's five public high schools, with Father Duenas Memorial School, and with the Home School Association of Guam. The DEAL program course articulation became effective in the spring of 2010. More private schools on Guam are interested to join the program in the upcoming academic year.

AY 2013-2014 Fact Book**Student Learning Outcomes (SLOs)**

Student Learning Outcomes describe the central goals that students will have attained by the end of a course or program. In essence, SLOs encapsulate the knowledge, skills, and attitudes that students are expected to learn from their respective programs. They answer the questions “What do students know?” (cognitive domain), “What do they think and value?” (affective domain), and “What can they do?” (behavioral domain). SLOs require students to synthesize many discrete skills or areas of content, and to produce artifacts such as term papers, projects, portfolios, demonstrations, exams or other student work.

Percentage of courses
with SLOs being
assessed within
programs

75.42%

Term	Courses with SLOs	Total Number of Courses in Catalog	Percentage of Completion
Fall 2014	415	415	100.00
Spring 2013 Catalog	414	418	99.04
Spring 2012 Catalog	400	402	99.50
Spring 2011 Catalog	384	396	96.97
Fall 2010 Catalog	384	396	96.97
Spring 2010 Catalog	250	412	60.68
Fall 2009 Catalog	181	350	51.71
Spring 2009 Catalog	70	375	18.67
Fall 2008 Catalog	68	375	18.13
Spring 2007 Catalog	0	399	0.00
Fall 2006 Catalog	0	399	0.00

As Requirement For Program	SLO Count	Total	Percent
Associate Degree Programs	Number of courses with SLOs being assessed	192	90.14
	Number of courses within the programs	213	
Certificate Programs	Number of courses with SLOs being assessed	47	83.93
	Number of courses within the programs	56	
Not a technical required course for a degree or certificate	Number of courses with SLOs being assessed	74	50.68
	Number of courses within the programs	146	
Total number of courses with SLOs being assessed within programs	Number of courses with SLOs being assessed	313	75.42
Total count of courses within programs	Number of courses within programs	415	

The denominator in calculating the total number of courses with SLOs being assessed within programs is the total number of all courses within programs and excludes all archived courses as of this writing. In previously reported SLO data, the denominator included all courses listed in the College catalog. The total number of courses with SLOs being assessed includes those courses that have been assessed in the 2013-2014 academic year.
