MISSION

Guam Community College is a leader in career and technical workforce development, providing the highest quality, student-centered education and job training for Micronesia.

MESSAGE FROM THE PRESIDENT

Mary A.Y. Okada, Ed.D.

Hafa Adai and Congratulations, Graduates!

Your degree, certificate, or diploma earned today from GCC is an important milestone in your educational journey, and an important milestone for GCC. The College concluded a very successful accreditation visit this past March, and the graduating class of 2020 is proof that GCC delivers the highest quality education and job training for Micronesia.

Now, it is your turn to deliver. Take the education and skills you have learned here, and use them to deliver top quality performance as an employee, or as a student continuing on to earn your baccalaureate degree. Your credential earned today can also provide you with the means to successfully contribute to the sustained economic growth of our island. It is a cycle of sustainability that will allow our community to thrive even in these challenging times.

On behalf of the GCC administrators, faculty, and staff, I congratulate you on this significant milestone in your life. I wish each and every one of you sustained educational and workforce success.

Senseramente,

A handwritten signature in black ink that reads "Mary A.Y. Okada". The signature is written in a cursive, flowing style.

Mary A.Y. Okada, Ed.D.
