FOR IMMEDIATE RELEASE

GCC summer programs offer CTE edge

Sustainable Technologies & Environmental Education Program (STEEP)

GCC is offering a three-week Sustainable Technologies & Environmental Education Program (STEEP) for high school students 14-17 years old. This amazing summer program revolves around sustainability, renewable energy, AutoCAD-gardent designing, sustainable gardening/farming, environmental biology, aquaponics and more!

STEEP dates: May 31 - June 21, 8:30 AM – 2:30 PM

GCC Student Center Room 5108

*Cost: \$300 per person (Covers sustainability kits, field trip, faculty, and breakfast & lunch)

*Note: STEEP is FREE for students in the GCC College Access Challenge Grant Program. The \$300 fee is paid for by CACGP. Students can sign up for the CACGP program at the same time they register for STEEP (based on CACGP eligibility criteria).

To register for STEEP by Wednesday, May 25th, and/or sign up for CACGP, call Francisco "Kiko" Palacios at 735-5501/777-8087 or email francisco.palacios1@guamcc.edu.

CACGP Auto Tech Camp

GCC's College Access Challenge Grant Program is offering a FREE Auto Tech Camp for incoming 9th, 10th, 11th graders. Students will receive an introduction to automotive technology, including learning about auto shop safety and the practical applications of electronic theories. They will also work on actual car models.

Auto Tech Camp dates: June 6 - July 15 from 8:00 AM – 2:30 PM

GCC Building 500 (Automotive Shop)

Program is FREE to CACGP students (Breakfast & lunch will be provided.) Students can sign up for the CACGP program at the same time they register for STEEP (based on CACGP eligibility criteria).
